

SUPERVISED PLAY AT LONG BEACH BRIDGE CENTER TUESDAYS JUNE TO OCTOBER?

Hank and Fern will host supervised play sessions on June 15th and 22nd.

Tuesdays 9:30-11:40 - \$5 per session - 0-99 mp - Master points awarded

The sessions are aimed at the 0-5 master point range but “nice” players from 0-99 are allowed. Questions are allowed during the bidding.

Depending on the turnout, we may also have Tuesday supervised play sessions beginning July 6th and running till October OLLI classes begin.

AS OF NOW: You must have a vaccination record on file with Long Beach Bridge, as well as wear a mask. This may change later.

You may bring a partner or just show up. Asking Hank for a partner in advance is a good idea.
